An answer is a response to a question, problem, or need. If you don't get enough sleep, quitting your late-night TV habit might be the answer.

answer - Dictionary Definition : Vocabulary.com

Applying the Target Words. Applying the target words provides another context for learning word meanings. When students are challenged to apply the target words to their own experiences, they have another opportunity to understand the meaning of each word at a personal level. This allows for deep processing of the meaning of each word.
