More mothers than fathers have exited the labor force since the pandemic began, according to research published in August by Sage Journals, which analyzed data from the Current Population Survey. Between February and April, labor force participation fell 3.2% among mothers with children younger than 6, and 4.3% for those with children 6 to 12.

Child care crisis pushes US mothers out of the labor force

As a daughter I know how we can "hate" our moms from time to time. But I promise you we as mother's love our children with all of our being. I lost my mom when I was 21 and it was horrible, I'd give anything to have her back. I'm now 33, a single mother of 2 children and I know the struggles of raising children.

Mother's Dedication To Her Child, What I Would Do For You ...

The relationship between the mother and child is no accident. At times the child may reject his mother and wish he had a different one. Remember your soul made the choice for a reason. This woman can help you live your purpose.

Be mindful that all children are hardwired to rely on their mothers thanks to evolution. "My mother wasn't mean," one daughter writes, "But she was emotionally disconnected from me and ...

8 Toxic Patterns in Mother-Daughter Relationships ...

In any case, my biological father left when I was six, and my mother quit her job shortly thereafter; she then housewived her three children until my father returned for good several years later. Although I have no memories of my mother's turmoil, I gather from her novel-memoirs that those two years were unhappy ones.

A Secret Life (Forbidden Stories)--charles hugh smith-

The one thing that I so often remind people of is that the one thing we all have in common is a mother. So, reach out to your mom and ask her what you can do to support healing in her life. My children have taught me so much about healing my own life and yours can teach you as well. Open your heart and ask them.
