Cost & Management Accounting 2 | Hahu Zone

The theory discussed in this lecture was transaction cost theory. The main thing I learnt and realised from this lecture is about how harsh the market is. If you set the wrong price, the market will not buy from you. I also learnt how unforgiving the market is, where if you slip up, you will most likely lose a lot of business because of it.

Prezi Presentation Markets This lecture explains the Transaction Cost Theory from Oliver Williamson (1979, 1991, 2002). This theory argues that there are three important governance structures that are the blueprints to organise business activities. The market is a meeting place for buyers and suppliers for a given product or service.
