Hi, I currently have a Rascal Super Alarm panel. We moved into the house about 3 an a half years ago but the previous owners never gave us the Alarm code, (they say they can't remember it). I have found the Engineer manual for it online and A friend who works in the Trade has found the Engineer code for it, however from the Manual I have found online it does not show how to reset the User code.

### Rascal Super User Reset - Control Panels (Public ...

Scantronic 9100 Alarm reset? I have an old Scantronic 9100 house alarm with a reset problem having opened the front panel to inspect the battery (I have the engineer's code). After doing so, the expected command (i.e. zero enter/engineer's code/99 enter) to restore "day mode" does not work. Only the "power" LED is showing. Doe...

If Zone 1 & 2 work. You can look on-line or from the manufacturer for a manual, and see if you can connect a sensor to the front door, to complete the alarm package. trivia Some people don't alarm the front door, because that's what they always use to come and go, and frequently forget to disable the alarm when they come home. So it's
