## **Service Engine Soon Light Pontiac**

Some models of the Pontiac Grand Am have a computer system that lets the driver know when regular service is needed. The service should be performed as soon as possible once the indicator light comes on. The computer monitors driving conditions to make the determination when to illuminate the reminder light. Many automobile mechanics will reset the service light when they perform the maintenance or service.

I purchased a near mint 87 Fiero GT in May of this year. It only has 82k miles on it. I haven't driven it much (its a 2nd car) but this week I decided to drive it to work for a few days. While driving the car I noticed that the service engine soon light comes on and flickers off. The oil gauge is a bit jumpy and the light comes on and shuts off sometimes when I stop at a light or when the car ...
