Service Manual Gp Series Crusher

Nordberg® GP200S™ secondary cone crusher is engineered to be easy to maintain and service. Using durable, optimized parts prolong the lifetime of equipment, but whenever service is required, Nordberg® GP200S™ secondary cone crusher can be disassembled from above, and all heavy components can be lifted.

Nordberg® GP200S™ secondary cone crusher - Metso

The optimized design of the Nordberg® GP Series™ castings enables the use of a higher power rating than any other cone crusher with an equal head diameter. The castings design together with high-quality Metso components make it possible to maintain high crushing performance in the toughest conditions. High crushing forces, excellent cavity geometry and proven kinematics result in first-class end-product shape and increased production of desired end-product fractions.
