### The Invincible Iron Man Extremis

Production. Extremis was the second story arc after the "Avengers Disassembled" crossover event, not to be confused with "Stark: Disassembled", a later story in The Invincible Iron Man.. The story was meant as a sort of "new start" for the character—to redefine him from his origins as an arms dealer, to be the "test pilot for the future" Ellis intended him to be.

### Extremis - Wikipedia

Created by Ruwan Jayatilleke. With Jason Griffith, Therese Plummer, Ted Lewis, Dan Green. An experimental serum called Extremis gets stolen, and Iron Man rockets into action. The ensuing battles test Stark's spirit and Iron Man's power. Based on the graphic novel of the same name.

The Iron Man movie is the next hot property hitting the theaters next year, so I thought it was time to see what's happening. The last time I remember Iron Man ever being really good was "The Demon in a Bottle" storyline. Now comes "Extremis". Warren Ellis and Adi Granov have created one of the best reboots of a character that I've ever read.
