“The Survival of Thomas Ford” is dark but deeply moving. The premise for the book is simple. The novel’s story takes place in a Scottish, mountaneous town near a loch.

Thomas Ford and his wife are riding in his car when suddenly they come up to a blind curve just as two men are coming at them from the other way while trying to pass a truck.

Thomas Ford doesn't remember how he survived the crash that killed his wife, only the bird like face of the other driver he swerved to avoid. The twists and turns the story takes encompass the other driver and his passenger's guilt and fear of being caught and what they will do to avoid that capture.
